## **Welcome for proposed changes to Industrial Relations Acts**

**February 11<sup>th</sup> 2021**

The Council of the Alliance of Retired Public Servants have given their full endorsement to the proposed amendments to the Industrial Relations Acts and Pensions Acts currently being tabled in Dáil Eireann by Deputy Brid Smith, PBP.

Since the formation of the Alliance, statutory representation of Pensioners has been one of its core priorities, given that the right to representation is enshrined in the European Convention on Human Rights/Lisbon Treaty.

The Alliance commends this initiative, and urges all Political Parties and Oireachtas members to support the proposed amendments.
